NOTICE TO MARINERS

No 10/2024

24th November 2024

Navigational Hazard - Submerged Vessel Stromness Harbour

A submerged vessel lies on the West side northern most part of the North pier Stromness.

White marker buoys denote the extremities of the submerged vessel.

Vessels are advised to keep clear of the immediate area and navigate with caution when entering or departing the area to the West side of the North pier and adjacent basins.
